

LEGACY FUNDS

Legacy funds are ideal for families and individuals who want to designate how their assets should be distributed after their lifetimes. Donors establish legacy funds to receive their assets from a will or trust and personally communicate how their charitable contributions will forever benefit their favorite charities.

Legacy Funds Are:

Personal

- Legacy funds allow you to make a long-term impact on the causes that are most important to you. Your continued support will allow the selected organizations to carry out their missions and contribute to the community for years to come.
- Your named legacy fund is recognized as a permanent fund of the community foundation.

Flexible

- You can easily modify the causes your legacy fund will support without modifying your will.

Efficient

- The Community Foundation can receive gifts designated in a will or estate plan including life insurance policies, IRAs, 401(k) plans, real estate, charitable gift annuities and charitable remainder trusts.

Financial Facts:

- Legacy funds are free of administrative fees until assets are received.
